FOR IMMEDIATE RELEASE...FEBRUARY 17, 2010

PRESCRIBED FIRE ALERT FOR SEMINOLE COUNTY

A prescribed fire will be conducted Wednesday, February 17, 2010, in Seminole County. The fire, which may present smoke to Miller and Seminole counties, will be carried out by the Department of Natural Resources.

The prescribed burn is being conducted by trained practitioners to reduce hazardous forest fire fuels and improve wildlife habitat. It is a safe way to apply a natural process and reduce the risk of wildfires. The burn should be complete by 6:00 p.m.

Note: For more information on this prescribed burn, contact Chuck Crews at 404-273-6803.
