WILDFIRE SMOKE ALERT FOR BRUNSWICK, JESUP, WAYCROSS AREA

Georgia Forestry Commission reports two wildfires in southeast Pierce County occurring late on Thursday that may cause smoke along U.S. Highway 301 and Highway 32, near Hortense, throughout the weekend. Officials say that both fires are burning in low lying swampy areas. Motorists are urged to be extremely cautious traveling the highways in this area especially in the night time and early mornings when visibility may be impaired.
